CONTENTS RATING

The appropriate symbol has been included for those programs that contain any of the following: Sex (S), Nudity (N), Violence (V), Parental Discretion Advised (PDA) and Suitable for All Audiences (SAA). A (★) indicates a hot title — retailers will want to have plenty of these on hand! An (Ω) indicates programs and merchandise that are absolutely not for anyone under 18 years of age. These programs may contain any or all of the following: extreme violence, graphic images, explicit sexual situations, or other adult situations.

WARNING: Anime 18 titles are absolutely not for viewers under 18 years of age. These programs contain scenes of violence and/or graphic sexual situations. Viewers not wishing to see this type of material should not view any Anime 18 title.

All characters depicted in sexual conduct or in the nude are aged 18 years or older. No actual or identifiable minor was used in the creation of any character depicted herein.

Here's What the Experts are Saying:

"...the break-even points and return-on-investment points with Anime are very good. Plus, because the intricate and sophisticated animation is a big part of the attraction, they are the types of videos that people want to watch more than once."

— supermarket news

"Today, anime is a growth industry... Industry pundits estimate that it takes in more than a billion dollars a year from theater admissions and video rentals and sales alone..."

— The Star Ledger

A Japanimation primer

Japanese animation is often referred to as "Japanimation" or "anime". Japanese animation is a sophisticated combination of complex, well-written stories with dynamic graphics. The narratives run the gamut from comedy, action/adventure, and science fiction to horror, romance, and mystery. Many Japanese animation fans are science fiction enthusiasts or comic book fans. Some are role playing gamers, video gamers, or action fanatics. Yet another segment of Japanese animation fans consists of college students and young adults who are into the "alternative" scene.

Western audiences were first introduced to anime in the 1960's with the television series *Astro Boy*, *Kimba the White Lion*, *Gigantor*, and *Speed Racer*. More than 20 years later, there is still a strong demand for these titles!

In the 1980's there was a resurgence in the popularity of Japanese animation, spearheaded by the broadcast of *Battle of the Planets*, *Star Blazers*, and *Robotech*. Although these shows were heavily edited and rewritten for American audiences, American fans wanted more.

Today, Japanese animation is more accessible than ever before, and the demand for quality programming continues to grow!

WARS IN PEACE: KOREA/VIETNAM

75 Minutes • Catalog Number: CPM 1336
\$29.95 US List Price

"Korea": What started as a border dispute between rival regimes escalated into a confrontation between East and West as the United Nations went to war for the first time. "Vietnam": The first television war as well as the first helicopter war against a persistent and invisible enemy.

WARS IN PEACE: THE 6 DAY WAR/YOM KIPPUR

75 Minutes • Catalog Number: CPM 1337
\$29.95 US List Price

"The 6 Day War": Israel won a stunning defeat over the combined Arab forces of Egypt, Jordan, and Syria but didn't foresee the surrendering Arabs' thirst for revenge. "Yom Kippur": Six years after their defeat, Egypt and Syria launched simultaneous surprise invasions at Israel on the holiest day of their year.

WARS IN PEACE: TERRORISM/LEBANON

75 Minutes • Catalog Number: CPM 1338
\$29.95 US List Price

"Terrorism": Random, unpredictable, sophisticated. Terrorist attacks are sudden, extreme acts of violence that focus world attention on the terrorists and their causes. "Lebanon": Angered by repeated PLO attacks, Israel launched an ambitious two-pronged military attack that included 1,200 tanks and 1,500 armored carriers to push the PLO back from its border.

WARS IN PEACE: IRAN IRAQ/AFGHANISTAN

75 Minutes • Catalog Number: CPM 1339
\$29.95 US List Price

"Iran/Iraq": Iraq attacked Iran seeking control of the Gulf's richest oil centers in what was to become one of the greatest civilian and military horrors since World War II. "Afghanistan": Provoked by the spread of Islamic fundamentalism, the USSR assassinated a popular president and invaded Afghanistan under the guise that it was invited to repel foreign intervention.

WARS IN PEACE: THE FALKLANDS/SPECIAL FORCES

75 Minutes • Catalog Number: CPM 1340
\$29.95 US List Price

"The Falklands": When Argentina pursued its long held claim to the Falklands and South Georgia, it underestimated the scope of British reaction. "Special Forces": Highly trained strike teams conduct risky operations of strategic importance to their governments in areas where regular armed forces won't venture.

WARS IN PEACE: THE GULF WAR

75 Minutes • Catalog Number: CPM 1341
\$29.95 US List Price

"Parts 1 & 2": When the Iraqi army invaded Kuwait, Saddam Hussein underestimated the strength of Western reaction and the combined power of the largest international force assembled since Korea. The combined forces retook Kuwait as the retreating Iraqi army left a legacy of destruction, burning oil fields and polluted seas.

and more about Japanese animation

"The majority of Japanimation titles in this country are distributed by **Central Park Media.**"

— video business

"...anime can be among the most profitable non-theatrical product in the video store."

— video store magazine

"One video niche with no growing pains whatever is anime... usually created in a distinctive high-tech style, is proliferating in the animated sections of video stores."

— The New York Times

"There's still growth to come, because this is a category where interested customers, particularly new ones, will go through the store's whole library."

— *Daily Variety*

"In retail, anime is no longer sold exclusively at specialty retailers and comic book stores. Major retail chains like Tower and Virgin Megastore are finding success with the sell-through-priced videos, too."

— *Billboard*

"It shouldn't be intermixed with horror or erotic titles, or even with children's titles. Japanimation is its own genre, and retailers will have tremendous success if they present it that way."

— *Video Business*

"Japanese animated videos are poised to crash the mainstream."

— *USA Today*

"If this is what cartoons look like in Japan, I wish I could spend Saturday mornings there."

— *People*
